MVS Academy Introduction

The Inspiration for MVS Academy is BHARAT RATNA SIR MOKSHAGUNDAM VISVESVARAYA, who is considered as the pioneer of "CIVIL ENGINEERING" in India.

MVS Academy was established by celebrated and highly competent IITians to exclusively train Civil Engineering Students for their Higher Studies, through GATE Exam and for PSU Jobs related to GATE Score.

Over a period of time the Promoters of MVS Academy have developed a strategic teaching methodology, where students easily understand concepts without memorizing formulae. As Questions in the GATE exam are based on Concepts, mere memory without concepts will weaken the purpose. Hence at MVS we ensure personalised attention to each student in limited batches with a maximum strength of 50 students only.

Our Faculty comprises of exceptionally qualified Professors and GATE Toppers who have designed our GATE Course Material based on extensive research on GATE Syllabus to give the best output to students. Through our methodology, students need not mug-up formulae; instead they can easily understand the Concepts.

About MVS Preparation Material

MVS Academy, GATE Preparation material comprises of 10 books. The Total Syllabus is divided into 100 Modules and 6000 questions, with module wise theory, from all the Subjects.

BOOK-1 : General English and Aptitude Consists with 250 Solved Questions.

BOOK-2 : Mathematics Consists with 750 Solved Questions

BOOK-3 : Structural Engineering-I related Subjects with 1100 Solved questions.

BOOK-4 : Structural Engineering-II related Subjects with 500 Solved questions.

BOOK-5 : Structural Engineering-III related Subjects with 400 Solved questions.

BOOK-6 : Geotechnical Engineering Subjects with 750 Solved questions.

BOOK-7 : Water Resources Engineering Subjects with 1000 Solved questions.

BOOK-8 : Environmental Engineering Consists with 500 Solved questions.

BOOK-9 : Transportation Engineering Consists with 500 Solved questions.

BOOK-10 : Geomatics related Subjects with 250 Solved Questions.

About MVS Online Exams Web Access

Our Online exams within our website (www.mvsacademy.in) consist of GATE Mock Tests as well as Subject wise and Module wise Tests. The Exam Software has been designed Scientifically, with due care that the question chosen is based on statistical analysis of previous GATE Papers. The Question Paper is set by the Software automatically replicating the exact GATE pattern. A Timer as well as a virtual Calculator have been embedded in the software. The questions which are selected from the vast data base in the software, will be set randomly.

500 Module Wise Tests || 50 Subject Wise Tests || 20 GATE-20 Mock Tests

How MVS Material Helps Students

As this material consists of around 6,000 solved questions, students can practice these questions without wasting time, trying to solve complicated questions. Every day a student can solve over 200 questions by spending a few hours of preparation time. By following a strict preparation routine, one can complete the entire material just within 30 days.
